OUR STORY

Our drive to make great Pinot Noir

SIDURI, NAMED FOR THE BABYLONIAN GODDESS OF WINE, IS THE RESULT OF OUR FOUNDERS' MUTUAL LOVE OF PINOT NOIR – AND A DREAM THAT THEY COULD MAKE GREAT WINES OF THEIR OWN.

Siduri's breadth and depth of Pinot Noirs is truly unique. We specialize in cool-climate Pinot Noir, producing only single-vineyard, single-variety wine from over twenty vineyards stretching from Santa Barbara to the Willamette Valley. Why? Because we believe that great wine is made in the vineyard.
