

Siduri, named for the Babylonian goddess of wine, specializes in cool-climate Pinot Noir from growing regions across California and Oregon. Our winemakers' constant pursuit of Pinot perfection has led to long-standing relationships with top growers in premier appellations from Oregon's Willamette Valley to California's Santa Barbara County.

VINTAGE NOTES

The 2021 growing season in the Russian River Valley was marked by a relatively cool spring and mid-summer, with heat picking up towards the finish line of harvest. The lighter than average crop accelerated ripening, leading to an early and compact harvest season during the first half of September. Vintners around the Russian River Valley were rewarded for the hurried harvest season with outstanding, intense flavors, dark colors and soft tannins.

WINEMAKING NOTES

Each vineyard section was vinified separately, with some whole-cluster fermentations on sections with more lignified stems - typically on the Pommard clone. The 2021 vintage provided tremendous freshness and ample acidity - a vintage that will age beautifully.
